PROFESSIONAL EXPERIENCE

HR & Finance Executive

Fantech Labs | Dec 2024 – Present | Okara, PK

- **Talent Acquisition:** Managed the end-to-end recruitment cycle including job postings, active sourcing, screening, background checks, and onboarding for multiple concurrent open positions. Got hired 30+ people across various roles.
- **Recruitment Efficiency:** Reduced average hiring time by developing and implementing structured interview templates, evaluation scorecards, and high-visibility digital recruitment trackers.
- **Onboarding & Workflows:** Streamlined HR operations by designing and updating the centralized employee handbook, 10+ standard HR forms, and standardized templates, cutting onboarding cycle times.
- **Policy & Governance:** Authored and implemented critical corporate policies (including leave management, attendance systems, POSH frameworks, and code of conduct) to drive operational efficiency and compliance.
- **Payroll Administration:** Processed monthly payroll and compensation structures for 80+ employees, ensuring 100% accuracy in salary disbursements, deductions, benefits and bonuses.
- **Financial Management:** Developed monthly, quarterly, and bi-yearly Operational Expenditure (OpEx) reports, delivering actionable expense analysis and cost comparisons to guide leadership in financial planning and budget allocation.
- **Performance Enablement:** Administered performance appraisals, structured feedback loops, and career development initiatives, significantly improving team-wide engagement and career tracking.
- **Employee Relations:** Resolved employee grievances and conducted workplace conflict mediation, helping to foster a positive, inclusive organizational culture and reduce annual turnover.

- **Data Integrity:** Maintained highly confidential employee records and statutory documentation with strict due diligence, ensuring zero privacy breaches and complete data integrity.
